

Principal's Message

It's been a very busy time at Oceanview. We have had many meetings around the transition of grade eights and nines to Brooks School. Thanks to great planning by our counselors here and at Brooks School, the process has been a smooth one. Literacy Day was a hit. We, at Oceanview, appreciate it when we can partner with community groups. The Festival of Writers and the Powell River Live Poet's Guild were great to work with and the students were able to benefit from this partnership. Band and Choir students traveled to Nelson to take part in the Nelson Music Festival. Mr. Carson and the students involved could not stop talking about what a great experience it was for all of them. The grade nine girls soccer team has been playing regularly against teams from Vancouver Island. Track and Field has begun and our students will also be traveling to the Island to compete. Students have been busy completing assignments and preparing for end of term test. And last but not least, the school has been abuzz with the excitement and energy associated with the production of the musical "Seussical". This Endeavour has transformed our school. All in all, it is a very busy time but a very high energy, positive time right now at Oceanview School.

SSC Green Tips

Practice garbage free lunches! Buy reusable food containers and refillable drink bottles. The average child who takes a disposable lunch bag with plastic wrapped food generates 30kg of garbage each school year.

Saving energy is easy! Before you leave your house for the day, unplug your household electronics including TV's, computers, coffee machines, stereo, etc. 40% of the total energy consumed by these devices is wasted on standby power. Therefore, either unplug them or, better yet, get a surge protected and just flip the switch before you head out the door. You'll save energy and money.

Incredible!

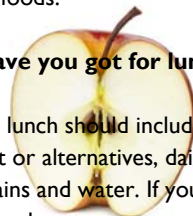

Healthy School Lunch Ideas

Get out of food ruts.

Avoid ordering the same foods at lunch from the school store or only eating your favourite foods.

What have you got for lunch?

A healthy lunch should include fruit, vegetables, meat or alternatives, dairy products, whole grains and water. If you're still hungry and need more energy, go for low-fat, high-fibre or otherwise healthy alternative like pretzels, granola bars, a baked potato or tortilla chips.

- June 11 Pro-D Day
- June 17-20 Final Exams
- June 26 Report Cards

Read for the Top

Oceanview Students were challenged to read 20 novels. This year's competition was an exciting one. Teams were tied at the end and we needed to go into a Bonus Round so that a team could win by two points. Thanks to our hosts from Brooks, Erik Fuller and Jared Siminoff, who did a brilliant job. A great number of students read a great number of books. Some students are still reading novels from the Read for the Top lists in their English classes. Congratulations to the winners. First place winners received \$100, Second Place \$50, Third Place \$25, Fourth Place \$15.

Read for the Top Results:

GRADE 9

FIRST

Natkita Bryan, Caitlyn Fogarty, Nicole Ferreira,

SECOND

Chris Hummel, Tom Robins, Ali Moore

THIRD

Joey Kleimeer, Tyrell Taylor, Andrew Herron

FOURTH

Aaron Wentworth, Elanna Eagle,
Ashley Peckford

GRADE 8

FIRST

Courtney Luff, Clayton Hill, Dorin Wingham

SECOND

Jasmine Kristensen, Kenny Dupuis, Keith Luff

THIRD

Teagan Reid, Carlisle Connor, Connor Sketchley

FOURTH

Lisa Quaye, Sarah Wegner and Justin Turner

First Annual Powell River Backroad Trash Bash

Saturday's Trash Bash can be considered a community success. With over 6.5 tons collected, school groups, businesses, and private groups converged to take back our natural areas and to send the message that it is not acceptable to 'misplace', as Ryan Barfoot of Brooks describes, our refuse.

Oceanview entered a team consisting of Kenny Dupuis, Brody Sandusky, Frank Radcliffe and TOC Hayley Radcliffe. This group teamed up with Oceanview neighbours, Terri Beck and Trish Alexandruk, to clean up the top on Nootka St. above the school. Two trailer loads were taken out of that little area. It was great way for us to connect with our neighbourhood.

The Community Bin, located at Oceanview, collected 1500 Kg. Oceanview and neighbours collected 280 Kg which was delivered to Augusta and more was contributed to the community bin.

This event was organized by Oceanview teacher Graham Cockledge.
