

Oceanview PAC

Our PAC, while small, has done incredible things this year. The most remarkable achievement has been the work that has been done around Healthy Schools and the canteen. Our PAC has spent many hours reviewing the new guidelines around nutrition and they have been able to provide some affordable healthy alternatives to the vending machines. The food sold in the canteen is sold at below cost and a variety of fruit has been available for free. Thank you so much to those parents who have donated their time in order to provide this wonderful service for our students.

- PAC has also been active in fundraising and supporting various student activities. These include:
- Rocketry Kits
- Christmas Skate
- Tournament Fees
- LEAD Carnival
- Gymnastic Provincials

BOSS FIELD TRIP

This year sixteen BOSS 9 students and three teachers travelled to the Lower Mainland to tour various post secondary institutions. We had amazing tours at SFU, UBC, Vancouver Film School, The Art Institute and Capilano College. The students also experienced dorm life at Place Vanier on the UBC campus, everything from uncomfortable dorm beds, shared washrooms and cafeteria food. Some highlights of the trip were a lesson in acting for some of the boys in the class, a first hand view of how to make an actor bald using make up and other materials, the beautiful gardens and architecture of the various schools, glow in the dark bowling and missing the ferry home. The students also enjoyed talking with the tour guides (who are currently students of the various schools) about college life and all it has to offer including a beard and mustache club! Many students have come home with a clearer view of where they would like to go after high school and what programs that they would like to pursue.

Parents of Future Graduates

There will be an Informational Meeting held to discuss the Celebrations of Future Graduations on Tuesday, June 10 at 7:00 pm in the Max Cameron Theatre at Brooks Secondary School

We are looking for your input!

**OCEANVIEW HOCKEY**

The eight team OVHL was a hotly contested league with the team captained by Greg Moore winning the league with a 6 and 1 record. Playoffs proved too much for this team, however, a goal by Mitchell Ball with 3 seconds left gave his team a berth into the finals. In the other semi final the team captained by Sean Maguire was defeated in penalty shots by a team lead by Jordan Peters. The finals were decided in a best of three game affair with Kyle Gendron's team winning two games in a row for the championship. The top scorers for the year were Garrett Beamin with 14 followed by Aaron Fitch with 13 and Sean Maguire and Brody Boese with 12 each.

The girls also had a league but only had enough members for two teams. Paige Metzner led the league with 6 goals. The games were always tough battles and the teams ended up tied for points. Thanks to all 76 students who participated. The teachers won the student teacher game four to three on Mr. Anderson's stellar goal tending and Mr. Simonetta's offensive output. The team will be in trouble next year when these teachers move to Brooks.
